The Perth Cemetery Company has been operating Elmwood Cemetery continuously since March 27, 1872.

As a registered **not-for-profit** organization, the Company owns the cemetery property and holds full control and authority to enforce the by-laws and regulations. The management and direction of the cemetery is overseen by an elected Board of Trustees, with all members required to be Interment Rights Holders of Elmwood Cemetery.

The Board of Trustees has oversight of the Cemetery Manager, who in turn has responsibility for the day-to-day management of the Cemetery.

The Board of Trustees of the Perth Cemetery Company kindly requests the public's cooperation in adhering to the by-laws of Elmwood Cemetery. These by-laws have been established to enhance and maintain the cemetery, ensuring it remains a respectful resting place for the deceased.

Elmwood Cemetery is licensed to act as a cemetery in accordance with the Funeral, Burial and Cremation Services Act, 2012.

We hope that, through a cooperative effort, we can keep the Cemetery attractive and peaceful.
