

Welcome to Elmwood Cemetery

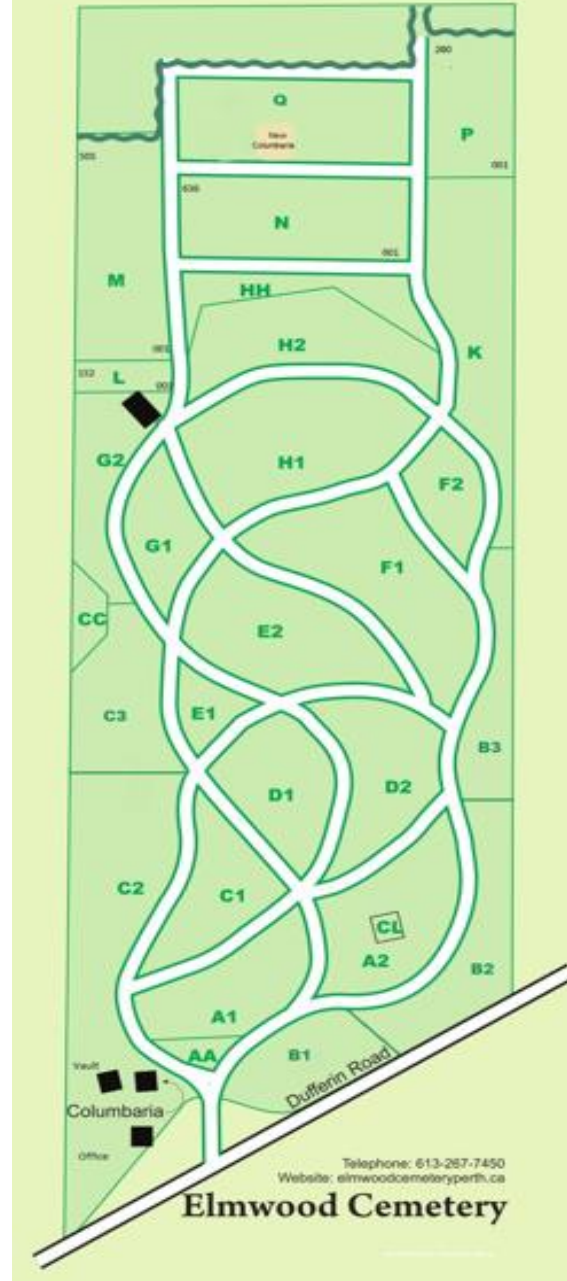

Elmwood Cemetery is owned and operated by The Perth Cemetery Company, a not-for-profit organization and a registered Canadian charity. The company, which was founded in 1872, is governed by an active volunteer Board of Directors. We are located in the Town of Perth, Lanark County, Ontario and we are the only operating cemetery within the Town of Perth.

Our property encompasses fifty-one acres of which about fifteen acres are presently used for interments. While Elmwood was originally founded as the Protestant cemetery for the general Perth area, it expanded many decades ago to serve all area residents without concern for their cultural or religious backgrounds.

Elmwood serves the citizens of Perth and surrounding communities by providing a secure and affordable final resting place in a park like setting. The monuments, structures and trees represent the historical link to the past and the area's inhabitants that have gone before us.

Elmwood Cemetery Memorial Service for 2026

Sunday, July 12, 2026 at 2pm.

We hope that you will join us again next year.

Services offered

At Elmwood, we offer numerous options for the deceased, such as traditional full interment (casket or vault), cremation interment (urn in ground), inurnment (urn in a columbarium), and green burial.

What is New?

All floral arrangements should be removed by October 20th each year as we prepare for Fall cleanup. Thank you for helping us do this.

Note: Arrangements placed after October 20th. 2025 must be removed within 3 weeks.

Volunteers are welcome to assist and are always needed for the Fall cleanup.

We have prepared a new section 'R' at the cemetery, and it is dedicated to green burials.

An oak tree was planted in our new "R" Section in memorial to Gordon McCallum.
